Self-Haul Recommendation:

The ICI/ Self-Haul Sub-Committee discussed Self-Haul Separation Requirements. Safety concerns were expressed as well as costs to modify sites to include containers for separation. The amount of diversion versus cost was also discussed. It was suggested that members of the regulated body come back with solutions that would make Self-Haul recovery possible.

Proposed Recycling Requirement for Multi-Family Residential Properties

Several Louisville property owners and managers spoke as stakeholders and discussed the difficulty of adding recycling to renting residents.
