**Residential/C&D Sub-Committee MEETING MINUTES  
600 Meriwether Avenue, Louisville Kentucky 40217  
March 10, 2020**

Chairman Sandra Leonard called the meeting to order at 2:05 p.m.  
Other members in attendance: Adam Storey, Marie Eff, Kim Martinez

**Approval of January 14, 2020 and February 11, 2020 minutes**

Both meeting minutes were approved by proclamation. Sandra Leonard signed the February meeting minutes but decided to have Tim Darst sign the January minutes because he was chairman at the time of that meeting.

Task from last month was for staff to bring back information about two recommendations: Enhanced Enforcement of Yard Waste Disposal Ban (Residential) and the C&D Debris Processing Ordinance.

**Enhanced Enforcement of Yard Waste Disposal Ban (Residential)**

Ordinance is already in place for this recommendation, so it is considered "low hanging fruit."  
Current yard waste disposal ordinances were read and discussed.  
Statistics and amounts of yard waste in Municipal Solid Waste from the 10 Year Study were discussed.  
Discussed using Community Based Social Marketing tactics to work toward changing the behavior of placing yard waste in garbage. This may vary depending on the audience (residents with curbside yard waste collection, residents without curbside yard waste collection, haulers, etc.) Understanding barriers to the behavior we want will be a key factor in this program.  
Pricing for each Jefferson County residential hauler was viewed and discussed.  
Conducting at least two pilots, various areas, at different times of the year would be beneficial.  
Task for staff: Pick two pilot areas, formalize procedure for audits, communication plan, and Oops Tag program.

**C&D Debris Processing Ordinance**

Tabled until next meeting.
